April 03, 2014

Dear parent,

It is, once again, that time of the year when we see our children grow an inch taller, move a step ahead and advance further in their lives. These small steps will turn into bigger leaps in future. Their growth brings a SMILE to our lips and Happiness to both the parents and teachers.

A teacher, like a sculptor, works on the mind of the students to chisel a well rounded individual while the parents bring the emotional balance with their steadfast support and presence with the promise to standby their child in all conditions. This partnership between 'School' and 'Home' will chart a roadmap for child which takes him to the desired destination.

At the dawn of this new session I seek the support of all parents to join hands with us in our endeavour to build a bright future for our children.

Let me apprise you of the **new value additions** made by School Management in this new session.

- **"Doctor on Call"** - A tie up with Medanta-The Medicity of Gurgaon-a facility accessible even at home.
- **Mobile Application** - DPS Panipat City has launched a Mobile App to keep you updated of the developments /activities in school & progress of your ward.
- **Bio-Metric Facility** - To ensure the safety of your ward, entry to school of visitors / parents, is allowed only through Bio-Metric registration.
- **School Cinema** - These movies are specifically filmed for school students to inculcate life skills & values.
- **DPS Panipat City & R-3 Golf Galaxy**, together, bring Golf to our students. **Is your child the next Tiger Woods?** Sure is the call.

To take this partnership further I wish to share an Email id where the parents are invited to share their valuable suggestions with the school.

The Email id is: suggestions@dspanipatcity.in

Regards

03/04/2014.
