The parents and schools Affiliated to the CBSE are aware that online submission of details of candidates is under process for class X & XII examination, 2014. In this connection, attention of all stakeholders is drawn to Affiliation Bye-Laws Rule 13, 12 (i) and (ii), the extract of the same is as under:

In order to ensure that all candidates who have been registered are actually attending the school regularly, the Board has decided to conduct surprise inspections of schools to verify the attendance of students appearing for Board's Class X & XII Examinations, therefore, schools are required to advise the candidates to attend the school regularly.

In case large numbers of candidates are found absent in schools during inspection without valid reasons, the Board is contemplating to take the following strict action.
