

### **DPS Panipat City: Blossomed Young Actor**

Some children are gifted and early bloomers who enjoy success from the very beginning. This statement has been fulfilled by Diwas Huria who has been enthralling everyone with his acting talent from his wee years. The cherry on the cake came when Diwas recently appeared in a TV commercial promoting the famous Nestle brand 'Maggi'.

Diwas Huria, class VI, has never been shy of public view and the big screen, attributes his success to his parents, teachers and the school who have nurtured his charismatic talent and made him a star in a very short span. The school fraternity along with the Pro Vice Chairman, Mr. Amit Rana, and the Principal, Ms. Archana Jain, extend their hand in blessing the young prodigy and wish him success in all pursuits of life.
